

The Ascendancy of Obama... and the Continued Need for Resistance & Liberation:

A DIALOGUE BETWEEN

CORNEL WEST AND CARL DIX

TUESDAY, JULY 14, 7:00PM

CORNEL WEST is one of America's most provocative public intellectuals and has been a champion for racial justice since childhood. His writing, speaking, and teaching weave together the traditions of the black Baptist Church, progressive politics, and jazz. The New York Times has praised his "ferocious moral vision." Dr. West currently teaches at Princeton University.

CARL DIX is a longtime revolutionary and a founding member of the Revolutionary Communist Party, USA. In 1970 Carl was one of the Fort Lewis 6, six GI's who refused orders to go to Vietnam. He served two years in Leavenworth Military Penitentiary for this stand. In the aftermath of the 1985 bombing of the MOVE house in Philadelphia, Carl initiated the *Draw the Line* statement, a powerful condemnation of the attack. He co-founded the October 22nd Coalition to Stop Police Brutality in 1996. Carl coordinated the Katrina hearings of the 2006 Bush Crimes Commission.
