***We Need and We Demand
Revolution For A Whole New Way To Live,
A Fundamentally Different System***

**Stop the U.S./Israeli Genocide of Palestinians NOW!
Stop Capitalism-Imperialism from Stealing Our Future!**

The madness of this system of capitalism-imperialism **cannot be fixed or reformed**. From the heartless U.S./Israeli slaughter and starvation of Palestinians... to the threats of nuclear annihilation... from the city streets, hell-hole prisons and police who terrorize and kill Black and Brown people... to the denial of women's right to abortion and attacks on LGBTQ people...

The problem is the *system* of capitalism-imperialism.

When the parasitic luxury of some rests on a world where whole countries are turned into sweatshops... a world of child labor and sexual slavery... a world where millions of migrants and refugees are driven to risk everything to cross borders—only to then be demonized and hunted like animals:

This system must be overthrown.

When this system has poisoned the air and water, destroying the environment ... when its rulers threaten nuclear war... and *the very future of humanity is in real danger*:

We need and we demand a whole new way to live, a fundamentally different system!

Some say that nothing can change and it's out of our hands. NO!

On May Day 2024, we declare: We will dare to fight and win a future worthy of our children and all of humanity.

In powerful social media messages, the revolutionary leader Bob Avakian (BA) has done what nobody in this country has ever done before. He breaks down for everyone why we need a real revolution and how this revolution can be made—not in some far-off time, but right in this time. Bob Avakian has brought forward a whole new framework for the emancipation of humanity—the New Communism. **Listen to BA's messages at @BobAvakianOfficial on all social media platforms.**

Bob Avakian says:

**With thousands organized into the ranks of the revolution, millions can be won to revolution;
and with millions won to revolution, there could be a real possibility for this revolution to win.**

Be one of those thousands needed NOW! Join *The REVCORPS* for the *Emancipation of Humanity*, and become a part of making this revolution known as a growing, organized, disciplined, bold, and fearless force. Learn about the revolution while spreading the word that there is a way to change the world.

If you have the heart to fight for something worth fighting for,

Be There: May Day 2024!

**WE LIVE BY AND FIGHT FOR THE POINTS OF ATTENTION,
THE CODE OF THE REVOLUTION**

1.

We base ourselves on and strive to represent the highest interests of humanity: revolution and communism. We do not tolerate using the revolution for personal gain.

2.

We fight for a world where ALL the chains are broken. Women, men, and differently gendered people are equals and comrades. We do not tolerate physically or verbally abusing women or treating them as sexual objects, nor do we tolerate insults or "jokes" about people's gender or sexual orientation.

3.

We fight for a world without borders, and for equality among different peoples, cultures and languages. We do not tolerate insults, "jokes" or derogatory names about a person's race, nationality, or language.

4.

We stand with the most oppressed and never lose sight of their potential to emancipate humanity—nor of our responsibility to lead them to do that. We work to win people of all backgrounds to take part in the revolution, and do not tolerate revenge among the people.

5.

We search for and fight for the truth no matter how unpopular, even as we listen to and learn from the observations, insights and criticisms of others.

6.

We are going for an actual overthrow of this system and a whole better way beyond the destructive, vicious conflicts of today between the people. Because we are serious, at this stage we do not initiate violence and we oppose all violence against the people and among the people.
