

Walk Out! October 21 **STOP "Stop & Frisk"**

From Up Against the Wall to Up in Their Face

The NYPD is on pace to stop and frisk over 700,000 people in 2011! That's more than 1,900 people each and every day. More than 85% of them are Black and Latino, and more than 90% of them were doing nothing wrong when the pigs stepped to them. This is intolerable! It must be stopped. WE ARE STOPPING IT, AND YOU MUST JOIN US IN DOING THAT!

On Friday, the day before October 22nd, The National Day of Protest to Stop Police Brutality, the Network to Stop Mass Incarceration is calling for stopping Stop & Frisk. We will target this illegal, unconstitutional policy with non-violent civil disobedience.

If you are sick and tired of being harassed and jacked up by the cops, JOIN US. If you are shocked to hear that this kind of thing happens in this so-called homeland of freedom and democracy-and it does happen all the time-you need to JOIN US too. Don't stand aside and let this injustice be done in your name.

JOIN US: Friday, October 21, 1:30pm, at the Harlem State Office Building, 125th Street and Adam Clayton Powell Blvd.
