

A Call to All Who Want a Better World...

June 12, 2021 MARCH!

From LA Southwest College to the LA County Sheriffs

Show the World:

We Are Getting Organized Now For
REVOLUTION, NOTHING LESS!

The LA County Sheriffs—like the other police forces and the military—“serve and protect” THIS SYSTEM—the system of capitalism-imperialism. The system that rules this planet. The system that destroys lives and crushes spirits... that treats all kinds of people as “less than human”... that hunts down and drives down our youth in so many ways... and that threatens the very existence of humanity.

This system must go! So, Let's Get Down to Basics: We Need A Real Revolution!

On June 12, people from around the Los Angeles area will march on the LA County Sheriff's Station in Westmont to proclaim:

WE ARE FIGHTING TO EMANCIPATE ALL HUMANITY –

***For a World Free of All Oppression and Exploitation
No More Antagonistic Divisions Among the People***

**THIS SYSTEM CANNOT BE REFORMED—
IT MUST BE OVERTHROWN!**

2:00 pm June 12, 2021

**March will start at corner of LA Southwest College, Western Ave & Imperial Hwy
