

From the Revolution Club

**No free rein for police to terrorize and murder
Black and Brown people!**

Hands off the people and the revolutionaries!

PROTEST

**THURSDAY, JUNE 22ND, 4 PM
63RD AND ASHLAND**

As summer in Chicago hits, Chicago police have unleashed their "summer mobile" kill squad on the people. This kill squad is ALREADY murdering our youth, shooting down 17-year-old Corsean Lewis in a hail of bullets on June 2. This only two weeks after a sheriff killed 17-year-old Rashad Wells only a few blocks away.

No one should accept this, we don't have to just accept murder after murder after brutal murder of our youth. There is a way out but we have to fight for it. The police don't want people to stand up and they don't want you getting with the leadership, organization, science and strategy that is the WAY OUT of this fucked-up system that has us in this situation in the first place. That is why they illegally arrested members of the Revolution Club just for taking out the message of revolution in April and that is why on June 10th they came out in force with their pig commander along with a wagon and squad cars to keep people from even coming to hear a call to get out of killing each other and get organized to fight the real enemy.

What are the pigs trying to accomplish with their brutality and murder and repression and terror? BA, the leader of the Revolution makes it clear:

"The role of the police is not to serve and protect the people. It is to serve and protect the system that rules over the people. To enforce the relations of exploitation and oppression, the conditions of poverty, misery and degradation into which the system has cast people and is determined to keep people in. The law and order the police are about, with all of their brutality and murder, is the law and the order that enforces all this oppression and madness."

The Revolution Club says NO! WE WILL NOT LET THIS STAND. In our summer proclamation we declared, "This Summer in Chicago Will NOT Be a Bloodbath of Killing Each Other, This Summer Will NOT Be Free Rein for Police to Murder and Terrorize Black and Brown People, This Summer We Get Organized for Revolution to Emancipate All of Humanity."

You are needed to step up to this challenge. Join the Revolution Club Thursday, June 22nd at 63rd & Ashland at 4pm.
