**Sunday, June 4**

**2 pm PT/5 pm ET at [youtube.com/therevcoms](https://youtube.com/therevcoms)**

**To everyone who  
can't stand this  
world the way it is...  
who is sick and tired  
of so many people  
being treated as  
less than human...**

# ***WE REFUSE TO ACCEPT THIS SYSTEM'S FUTURE!***

We revcoms, revolutionary communists, have a plan to bring forward and lead thousands and then millions in a revolution to wrest a different future out of the horror that now looms.

At a time when the very fate of the planet is in the balance... at a time when there is a force willing to stand up and say "WE will dare to seize a future fit for humanity"  
...**WHAT are YOU giving your money to?**

"Basing ourselves on the scientific method and approach of the *new communism* brought forward by the revolutionary leader Bob Avakian, we revcoms have the clear understanding that this system of capitalism-imperialism is the source of all the outrages and madness that people are subjected to, here and all over the world – and that it is long past time for this system to be swept off the face of the Earth..."

"Bob Avakian has sharply expressed this profound reality: *We can no longer afford to allow these imperialists to continue to dominate the world and determine the destiny of humanity.* And it is a scientific fact that **humanity does not have to live this way – a whole different way to organize society, a whole better world, is possible.**"

*From the new Proclamation WE ARE THE REVCOMS We Are Working for  
a Real Revolution and Whole New, Emancipating Way to Live.*
