THE CROSSROADS WE FACE

THE LEADERSHIP WE NEED

The situation we face—the situation the whole planet faces—cries out for change. *Urgently...*

The “conventional wisdom” says that fundamental change is unrealistic, even impossible. But in reality the most “unrealistic” thing in the world is to hope to touch things up around the edges, to put your trust in official channels and established authority, while things continually get worse. If a different—a *better*—world is possible, you’ve got to struggle to understand how and fight to bring it into being.

That demands leadership. And that is where Bob Avakian comes in.
