

***In the fall of 2012, Bob Avakian
gave a series of talks in different cities.
This is a film of one of these talks.***

“My dear brother Bob Avakian... is the Chairman of the Revolutionary Communist Party.... He is one of the few coming out of the 60’s who never sold out, he never caved in, he never gave up, held on to his forging of a rigorous, scientific analysis of the objective realities that are driven by a revolutionary love – because he has such a deep love for poor people, oppressed people, all around the world. Whether you agree or disagree with our brother, one thing you cannot deny: that he is the real thing. No doubt about it.”

–Cornel West, introducing his interview with Bob Avakian on the Smiley & West radio show (October 5, 2012)

**From this film,
*BA Speaks:
REVOLUTION—
NOTHING LESS!***

**“Those this system
has cast off, those it
has treated as less
than human, can be
the backbone and
driving force of a
fight not only to end
their own oppres-
sion, but to finally
end all oppression,
and emancipate all
of humanity.”**

“Yes, this is a film, but that is not its essence. This is a **daring, substantive, scientific summoning to revolution**. 6+ hours that can change how you see the world and what you do with the rest of your life.”

–From one of the filmmakers
