## **From Ike to Mao and Beyond My Journey from Mainstream America to Revolutionary Communist A Memoir by Bob Avakian**

*"Bob Avakian is a long distance runner in the freedom struggle against imperialism, racism and capitalism. His voice and witness are indispensable in our efforts to enhance the wretched of the earth. And his powerful story of commitment is timely."*

*Cornel West commenting on  
From Ike to Mao and Beyond*

Bob Avakian has written a memoir containing three unique but interwoven stories. The first tells of a white middle-class kid growing up in '50s America who goes to an integrated high school and has his world turned around; the second of a young man who overcomes a near-fatal disease and jumps with both feet into the heady swirl of Berkeley in the '60s; and the third of a radical activist who matures into a tempered revolutionary communist leader. If you think about the past or if you urgently care about the future... if you want to hear a unique voice of utter realism and deep humanity... and if you dare to have your assumptions challenged and your stereotypes overturned then you won't want to miss this book.

## **Marxism and the Call of the Future: Conversations on Ethics, History, and Politics**

*by Bob Avakian and Bill Martin*

This book offers readers a rare chance to witness a fascinating encounter between a radical social theorist and philosopher and a visionary communist leader and thinker. The challenging and unpredictable dialogue bristles with insights and provocations. Avakian and Martin wrestle with big questions that have to do with the state of the world and the possibility for radical change. The scope and relevance of Marxism, and the nature and reach of communist revolution, are at the heart of this rich and lively dialogue.

## **Bob Avakian: Observations on Art and Culture, Science and Philosophy**

*"If you don't have a poetic spirit—or at least a poetic side—it is very dangerous for you to lead a Marxist movement or be the leader of a socialist state."*

*Bob Avakian, Observations*

This provocative collection of reflections and observations by Bob Avakian on art, culture, science and philosophy offers a rare treat. Excerpted from formal talks as well as more informal discussions and conversations, many of the texts in this collection allow the reader to experience firsthand the freewheeling Bob Avakian—in the process of developing his thinking and reenvisioning the communist project on a wide range of controversies, from the dictatorship of the proletariat to discussions of truth, beauty, science and imagination.

## **Preaching from a Pulpit of Bones: We Need Morality But Not Traditional Morality**

This provocative book includes a scathing refutation of the reality behind conservative Christian fundamentalist morality, a critical look at the limitations of "liberation theology," including a discussion of Jim Wallis' book, *The Soul of Politics*, and an inspiring look at morality from a revolutionary perspective. This work is even more timely today as it was when it was published in 1999. Bob Avakian says in the Prologue that "From whatever vantage point one looks, it is unmistakable that there is what could be called a 'moral crisis' in America. There has been, to a significant degree, 'a breakdown of traditional morality.' But the answer to this—at least the answer that is in the interests of the majority of people in the U.S. and the overwhelming majority of humanity—is not a more aggressive assertion of that 'traditional morality' but winning people to a radically different morality, in the process of radically transforming society and the world as a whole."

*"It's like we're in a situation where we don't know where to go. It feels like an atmosphere of distrust, fear of the future, instability. I feel like there are no guidelines or parameters on where to go. But I think Bob Avakian has a plan full of hope in the face of uncertainty that weighs on people."*

*Comments by a woman after showing  
of Revolution in Mexico City*

In 2003 Chairman Bob Avakian delivered an historic talk in the United States, now available in video. This talk is a wide-ranging revolutionary journey. It breaks down the very nature of the society we live in and how humanity has come to a time where a radically different society is possible. Full of heart and soul, humor and consciousness, it will challenge you and set your heart and mind to flight.

### *Collection of Articles by Bob Avakian*

#### **The Coming Civil War and Repolarization for Revolution in the Present Era**

This is a series of excerpts from conversations and discussions, as well as more formal talks, by Bob Avakian. As the title indicates, these excerpts address questions of literally world-historical magnitude. There is a deep analysis of the stakes of this moment—and a bold and comprehensive strategy for meeting the challenges and wresting a revolutionary future out of that challenge. Everyone and anyone at all concerned about the current direction of society should dig into this pamphlet.

#### **Phony Communism is Dead... Long Live Real Communism**

A bold and challenging book that cuts right to the debate of our times. Is capitalism the best of all possible worlds? Avakian contrasts the brutal realities of the free market to the claims of its defenders. Has communism proven to be a disastrous nightmare? Avakian refutes the charges that socialist economies are unworkable and that communism suppresses individuality and freedom. But he probes deeper, into the real history and lessons of revolution, especially the Maoist Cultural Revolution. Can revolutions survive in a hostile world? How can they avoid going sour? And is it really possible to move society beyond private gain and money relations? Bob Avakian shows that communism is both visionary and practical. If you want to know what real communism is about, and if you wonder whether society has to be run as a dog-eat-dog enterprise, then you will find this book as timely as it is provocative.
