## Three Strikes...

by Bob Avakian, Chairman of the Revolutionary Communist Party, USA

The book by Michelle Alexander,
The New Jim Crow, Mass Incarceration
in the Age of Colorblindness, has
shined a bright and much needed light
on the reality of profound injustice at
the very core of this country.

This system, in this country, in the whole history of its treatment of Black people, what has it been?

First, Slavery... Then, Jim
Crow—segregation and Ku
Klux Klan terror... And now, The New
Jim Crow—police brutality and
murder, wholesale criminalization and
mass incarceration, and
legalized discrimination yet again.

That's it for this system:

Three strikes and you're out!
