

FREE THE JENA 6!

Black students sit under a “whites-only” tree at Jena High School in Louisiana...

Racist students hang nooses on the tree...

**Six Black students face decades in prison
for standing up against this racist outrage...**

Across the country people are organizing demonstrations to support the Jena 6! We call on people to support these protests, including the NATIONAL DAY OF ACTION ON SEPTEMBER 20 — TO SAY: NO TO WHITE SUPREMACY. WE DEMAND: FREE THE JENA 6. WE WILL KEEP ON FIGHTING UNTIL ALL THE CHARGES ARE DROPPED. THIS SYSTEM OWES THESE YOUTH AN APOLOGY!

SEPTEMBER 20:

The day Mychal Bell is scheduled to be sentenced: Join with and build the broad call that has gone out for people to COME TO JENA! PEOPLE FROM ALL OVER THE COUNTRY, FROM ALL WALKS OF LIFE, OF ALL NATIONALITIES — CHARTER BUSES, CAR POOL, BUY A PLANE TICKET, AND COME TO JENA FOR A MASS PROTEST. People all over the country and the world: find ways to boldly and in a mass way manifest and stand in solidarity with the struggle in Jena.
