

WARNING!!! FASCISTS ARE ZEROING-IN ON BERKELEY

Wednesday April 12 at UC Berkeley

DAVID HOROWITZ

Clark Kerr Krutch Auditorium

David Horowitz, who will speak about his “No Sanctuary Campuses” campaign, is a major national fascist leader whose focus is on “cleansing” U.S. colleges of progressive and radical influences and critical thinking. He ran full-page ads in 50 college newspapers against reparations for slavery, saying “what about the debt Blacks owe to America?” Horowitz has led vicious campaigns against “unAmerican” professors in the name of “Academic Freedom.” He mentored

Donald Trump’s senior advisor Stephen Miller when Miller was still in high school. Backed by powerful forces, Horowitz works to build networks of campus student brownshirts to help carry out a Nazification of American universities, working to remold the institutions of higher learning and turn them into active partners of empire, repression, and theocracy.

Saturday April 15 M.L.K. Park, Berkeley

“PATRIOTS DAY” ALT-RIGHT RALLY

12pm NOON ~ 2151 Martin Luther King Jr. Way between Allston Way & Center St.

Still incensed by the protests that prevented Milo Yiannopolous from speaking at UC Berkeley, the Liberty Revival Alliance has planned a “Patriots Day” rally in Berkeley. The Oath Keepers, a national fascist paramilitary organization associated with the patriot and militia movements have pledged to provide “security” for the event. Their leader, Stewart Rhodes, has put out a national call for the Oath Keeper thugs to come with him to Berkeley to “protect” other right wing forces. The Oath Keepers are vowing not to have a repeat of the March 4 rally when the fascists were righteously driven out of Berkeley.

Friday April 27 at UC Berkeley

ANN COULTER

time & location TBA

Ann Coulter - author of the book *In Trump We Trust: E Pluribus Awesome!* is a total fascist known for racist, homophobic, anti-Muslim commentary and viciously unfunny “humor”. To call Coulter “conservative” is a gross euphemism. Coulter approvingly joked about the murder of abortion doctor George Tiller. Speaking of the environment she has said that “We have dominion over the

plants, the animals, the trees. God said, ‘Earth is yours. Take it. Rape it. It’s yours.’” She has been invited by the Berkeley College Republicans to come to Cal to spew on “illegal immigration.” Coulter says she became a Trump supporter when “he won me over with that Mexican rapist speech. ... He’s just always cared about America first.”

CAUTION!!! NORMALIZATION OF THE RADICAL REACTIONARY RIGHT IN THIS COUNTRY IS THE ACCOMMODATION OF & COLLABORATION WITH ACTUAL FASCISTS!

What we are dealing with is not just another really repressive and reactionary Republican administration, not principally a vile narcissist with a twitter feed with a bunch of racist billionaires surrounding him, but a regime that has brought together what has been developing—fascist movements, white supremacist KKK/militia and Tea Party movements that overlap with a huge Christian Fascist movement—that have been taking root inside of and outside of the power structures for several decades now, which have been brought together under the Trump/Pence regime that will codify—that is cement—into law a fascist America and change life as we have known it in ways that you can’t imagine. Donald Trump has become the vehicle to political power for a whole ugly range of fascist movements that have been growing with their separate media, culture, arms and militia, as well as being infused up into the military and especially various formations of special forces.
