

**REVOLUTION BOOKS
PRESENTS A PROGRAM ON:**

MAKING REVOLUTION IN THE U.S.A.

**Do we need a revolution and a radically different society?
What is happening every day—what this system does to people
day in, day out—here and all over the world, cries out: YES, WE DO.**

Is revolution really possible in a country like the U.S.? YES, IT IS.

**Is there actually a strategy and method for approaching how to
make such a revolution? YES, THERE IS.**

**Is there a group that is organized on the basis of that strategy
and method, is working for such a revolution, and could lead that
revolution when the time is right? YES, AGAIN.**

**Come hear some straight talk about these vital questions by speakers representing the
Revolutionary Communist Party, USA. Then, we'll dig into it with questions and answers.**
