

**APRIL 25, 2013**  
**ABORTION ON DEMAND AND**  
**WITHOUT APOLOGY!**

**NATIONAL CAMPUS DAY OF ACTION**

Wear Stickers, Speak Out, Raise Awareness!

**Fetuses are NOT babies!**  
**Women are NOT incubators!**  
**Abortion is NOT murder!**

**DID YOU KNOW...**

...2011 and 2012 saw a RECORD number of restrictions on abortion across the country, and already this year there are 278 bills introduced to further restrict abortion?

...97% of rural counties have no abortion provider?

...several states have only ONE abortion clinic, and starting August 1 in North Dakota (to give just one example), abortion will be illegal at around 6 weeks? That's before most women know they are pregnant!

...over 80% of clinics that provide abortions have experienced violence, threats, harassment? And that 8 abortion providers and staff have been KILLED by anti-abortion violence?

**It is WRONG to force women to have children against their will.**

**Forced motherhood is female enslavement.**

**Women are NOT breeders.**

**Women are HUMAN BEINGS, capable of full equality in every realm.**
