## **Revolution Books will not be intimidated!**

"There is a direct line from the Confederacy to the fascists of today, and a direct connection between their white supremacy, their open disgust and hatred for LGBT people as well as women, their willful rejection of science and the scientific method, their raw America-first jingoism and trumpeting of the superiority of western civilization, and their bellicose wielding of military power, including their expressed willingness and blatant threats to use nuclear weapons to destroy countries." –Bob Avakian

**Come in to the store, learn about the New Communism and all our diverse books, and find out what these vile, know-nothing, flag waving, wannabe Nazi book burners hate and fear so much!**

Revolution Books is the political, intellectual, and cultural center of a movement for an *actual* revolution
