Wait and See? Haven't You Seen Enough?

The Trump/Pence Regime Must Go! This Cannot Wait Until November!

"Suffer the little children to come unto me for of such is the kingdom of Heaven."

Matthew 19:14

People of faith, of all religions, **of such** did we see torn from mothers and fathers during the brutal years of slavery in this nation.

Of such did we see, in this nation, during the genocidal separation of Native American children, from their families, to deprive them of their language and destroy their culture.

Of such did we see when Japanese children and families were torn from their homes and isolated in internment camps across this nation.

Of such did we see when children and families were taken from their homes to be incinerated in the ovens of the Holocaust during the monstrous Nazi regime of Hitler's Germany.

Of such do we now see in this nation with immigrant children crying desperately for their parents and locked in cages by the illegitimate, barbaric, Trump-Pence regime, that America must expunge for crimes against humanity.

If a nation, a society, is judged by the way it treats "the least of these" then how will we, churches, synagogues, mosques, etc: how will we be judged?

Religious communities cannot stand on the sidelines!

We must stand up and say NO!

The Trump/Pence Regime Must Go!

In The Name of Humanity, We Refuse To Accept A Fascist America!
