

# Will *YOU* Be There?

March 2 PM (Gather: Southwest College, Western Ave & Imperial Hwy)

**June 12th Show the World:  
We Are Getting Organized Now for *Revolution—Nothing Less!***

## **WE ARE FIGHTING TO EMANCIPATE ALL HUMANITY**

For a World Free of All Oppression and Exploitation,  
No More Antagonistic Divisions Among the People

If *YOU can't* stand the way the world is... if you are sick and tired of so many people being treated as less than human... if you have a heart to fight for something really worth fighting for: **BE THERE** and March June 12th.

There is a way to a world and a future that *is* worth living for: ***A Real REVOLUTION.*** Most times, revolution in a powerful country is not possible.

*“A Declaration, A Call To Get Organized Now, For A Real Revolution”* says:

**This is one of those rare times and circumstances when revolution becomes possible**, not just because this system is always a horror, but because the crisis and deep divisions in society now can only be resolved through radical means, of one kind or another—either radically reactionary, murderously oppressive and destructive means *or* radically emancipating *revolutionary* means.

**There IS leadership for this, and real reason to hope! Bob Avakian (BA)** brings us the science of how we can get free for real. This is real leadership to follow if we want to *put an end* to all oppression, instead of trying to *get in* on it.

**And there's a PLAN for that!** Not playing around with a few changes that keep this system going. *But a real strategy* to grow and organize a force of thousands, then millions, from different corners of society, preparing for the time when we can go up

Over

*Continued from other side*

against this system's violent enforcers *AND BEAT THEM*—make a real revolution to overthrow this system.

**There's even a plan for WHAT COMES AFTER!** Bob Avakian has written a *Constitution for the New Socialist Republic in North America* we'll build after we sweep this system aside.

Look—quiet as it's kept, the enforcers of oppression, like the Sheriffs and Police around the country and the U.S. military world-wide, are **NOT ALL POWERFUL!**

They rely on keeping the people they oppress feeling surrounded and powerless because they need down-pressed people and they FEAR the people they oppress. Yes, **THEY. FEAR. YOU.**

Their system has no future—no way to END white supremacy, male supremacy, demonizing of immigrants, wars for empire, or the destruction of the environment—**and they fear that millions of people they have no future for will rise up with the leadership of Bob Avakian and the Revcoms.**

Even when it seems like we're too divided, too fucked up, too busy going along with the way things are, or too caught up fighting each other... BA understands your potential—the potential of the masses of people to end all oppression and emancipate all humanity... and far from fearing that potential, BA has dedicated his life to making that potential a reality.

June 12th, WE (including YOU) are marching to show *there's a force that is growing and organizing... that's fighting for a whole different world, and that's living for that future NOW!*

**“...We Have Two Choices:  
either, live with all this—and condemn future generations  
to the same, or worse, if they have a future at all—**

***or,*  
MAKE REVOLUTION!”**
