The U.S. war in Iraq is not a mistake, it's a **CRIME**.

The answer to this crime is not "phased redeployment," "orderly departure," troop reductions in a year or embedding the U.S. military in Iraqi Army units.

The answer to this crime is: **THIS MUST HALT—NOW!!!**
Immediate withdrawal of all U.S. troops and a complete end to the U.S. occupation.

U.S. Out of Iraq Now.
