

# **DARREN WILSON MUST BE INDICTED! THERE MUST BE JUSTICE!**

The word is now being floated that some time in the next few weeks there will be a decision from the grand jury in Ferguson that will let the cop who murdered Mike Brown walk free. This would mean that the cop who shot Mike Brown in the head as Mike held his hands in the air 30 feet away, the cop who was never even arrested, would walk free. That would be a total OUTRAGE!

To the powers-that-be, the facts of the case do not matter and they never did. The only thing that made them even think about backing up at all was the way that people in Ferguson rebelled, joined by many thousands around the country. The powers must not be allowed to go ahead with this whitewash and then jam it down people's throats with no resistance, or just some token "protest." Now is not the time to negotiate with the pigs about how to "keep the peace"—the only peace they accept is one where people are kept walking around in circles, going nowhere. Now is not the time for bootlickers to talk about "policing ourselves" and to cooperate with police to repress, assault, and arrest those protestors who they decide are "out of line." All this kind of talk just accepts that these monsters can do what they want. **NO! ANY FAILURE TO INDICT DARREN WILSON IS TOTALLY UNACCEPTABLE AND MUST BE MET WITH RESISTANCE. THEY MUST NOT DARE TO WHITEWASH THIS MURDER AND LET THIS PIG WALK FREE WITH NO CHARGES!! AND THEY MUST NOT BE ALLOWED TO GET AWAY WITH IT!!**

If the authorities do dare to announce such an outrage... if they dare to call this crime a "justifiable homicide"... then there has to be a giant **NO!** on the very day they announce it. **NO!** to the murder of Mike Brown. **NO!** to the whitewash of his killer. **NO!** to the whole way this system does Black and Latino people, from cradle to the way-too-early grave. **NO! NO! NO!!!**

**And...** there also has to be a **Yes** through our actions. **Yes**, to fighting the horrors of genocidal mass incarceration and police murder, and to building a stronger movement to end this. **Yes**, to shaking off and shattering these chains—physical and mental. **Yes**, to fighting together with people all over the world to get free, not for a bigger cut of the American pie. **Yes**, to looking for REAL solutions, to getting with the Revolution... to preparing the ground, preparing the people, and preparing the vanguard for the time when millions can be led to go for revolution, all-out, with a real chance to win.

THERE MUST BE JUSTICE!**
