This system grinds up, oppresses and kills people all over the world. This system locks down generations of Black and Brown youth, brutalizing and incarcerating them and even blowing them away – or else setting them up to fight each other, when they should be fighting the REAL enemy. This system teaches men to disrespect and brutalize women, when the fury of women must be unleashed for revolution. This system wages unjust wars, it destroys the environment, and it persecutes the millions of immigrants who it uproots.

This system has to be OVERTHROWN.

Look at this system’s election and their candidates. They are nothing but gangsters fighting over who will rule the empire. Whoever wins, it will mean nothing for the people but more of the same. Unless and until WE get organized to build our strength, and reach out to others. We need to take advantage of the conflicts between the rulers and get ready for a REAL revolution to overthrow them.

We need to make revolution to OVERTHROW this system. The Get into the Revolution National Organizing Tour is in Chicago to recruit YOU into the Revolution. Don’t miss the Revcoms on October 29 – people who have a real understanding of WHY we need nothing less than a revolution... what that revolution would do... how we could make such a revolution at the soonest possible moment... and where YOU fit in.

“Those this system has cast off, those it has treated as less than human, can be the backbone and driving force of a fight not only to end their own oppression, but to finally end all oppression, and emancipate all of humanity.”

—Bob Avakian, Chairman of the Revolutionary Communist Party

AMERICA WAS NEVER GREAT!
OVERTHROW, DON’T VOTE FOR, THIS SYSTEM!
STOP KILLING EACH OTHER! START FIGHTING THE REAL ENEMY!
