There is the potential for something of unprecedented beauty to arise out of unspeakable ugliness: Black people playing a crucial role in putting an end, at long last, to this system which has, for so long, not just exploited but dehumanized, terrorized and tormented them in a thousand ways—putting an end to this in the only way it can be done—by fighting to emancipate humanity, to put an end to the long night in which human society has been divided into masters and slaves, and the masses of humanity have been lashed, beaten, raped, slaughtered, shackled and shrouded in ignorance and misery.

Revolution Summer! Chicago Fund

Your donation is needed right now to support the work being done by the Chicago Revolution Club, out-of-town volunteers, and Carl Dix (a representative of the Revolutionary Communist Party) in Chicago. They are taking the leadership and the science people need to get free out to the people who are currently shooting and murdering each other. The Club is on the front lines, fighting relentlessly to get the youth to stop the insanity and get into the revolution. This situation is more acute than ever as the Trump/Pence regime sets its fascist sights on Chicago.

Everyone with a heart agonizes over this situation. But here is a way for you to actually do something by making a donation that can actually make a difference because this project is not about putting a Band-Aid on a bullet wound.

\$20,000 is needed immediately to support this project:

- living costs for volunteers
- costs of running the organizing center on the South Side
- costs of materials, subsidizing books and t-shirts
- legal costs for arrests that have already begun
