

UCPD is surveilling and politically suppressing revolutionaries!

WHICH SIDE ARE YOU ON?

The #UCLA5, five members of the Revolution Club, including students and alumni, are facing illegitimate criminal charges and are being spied on by UCPD! They're being prosecuted for the following:

*Protesting the Trump/Pence fascist regime's treasury secretary Steve Mnuchin

*Protesting Rahm Emanuel and calling out his role in the cover-up of the Chicago PD's murder of Laquan McDonald.

*Doing 11 Minutes of Silence in Support of 11 Million Undocumented Immigrants

*Waiting in line to attend an event with Chelsea Manning—yes, *waiting in line*

Political Surveillance and Persecution by UCPD.

Detectives recorded videos and took photos of the Revolution Club on campus, with descriptions of completely lawful activities like “two subjects were wearing the black Revolution Club shirts and appeared to be approaching attendees of Bruin Day.”

At a time of rising fascism, white supremacy, misogyny, xenophobia, EVERYONE who doesn't want to see political protest and speech suppressed, and revolutionaries targeted, must demand:

Drop the charges on the #UCLA5

Points of Attention for the Revolution

The Revolution Club upholds, lives by and fights for the following principles:

1 We base ourselves on and strive to represent the highest interests of humanity: revolution and communism. We do not tolerate using the revolution for personal gain.

2 We fight for a world where ALL the chains are broken. Women, men, and differently gendered people are equals and comrades. We do not tolerate physically or verbally abusing women or treating them as sexual objects, nor do we tolerate insults or “jokes” about people's gender or sexual orientation.

3 We fight for a world without borders, and for equality among different peoples, cultures and languages. We do not tolerate insults, “jokes” or derogatory names about a person's race, nationality, or language.

4 We stand with the most oppressed and never lose sight of their potential to emancipate humanity—nor of our responsibility to lead them to do that. We work to win people of all backgrounds to take part in the revolution, and do not tolerate revenge among the people.

5 We search for and fight for the truth no matter how unpopular, even as we listen to and learn from the observations, insights and criticisms of others.

6 We are going for an *actual* overthrow of this system and a whole better way beyond the destructive, vicious conflicts of today between the people. Because we are serious, at this stage we do not initiate violence and we oppose all violence against the people and among the people.
