THIS PROVIDES THE BASIC AND SIMPLE APPROACH TO INTRODUCING PEOPLE TO THE REVOLUTION YOURSELF.

2. Join the Revolution Club or, start one where you are.

- The Revolution Club is where people like you can take part in, and represent for, the revolution in an organized way as you learn more about the revolution: its scientific method and approach, its leadership, strategy and goals.
- The 6 Points of Attention (the POA's) are the principles around which the Revolution Clubs are organized. Discuss them with others, form a group and distribute them. Get in touch with the national Revolution Clubs at www.revcom.us/revolutionclub/ and we'll help you get going.

3. Donate and Raise Funds for the revolution. *The Get Organized for an ACTUAL Revolution Tour* needs big funds to be able to send teams of organizers across the country over the next year. **Get Into:
Bob Avakian
(BA)
the leader
of the
revolution**

We have a great strength in the leadership of Bob Avakian (BA), who over decades has developed the new communism, qualitatively advancing the science. BA breaks down why reality is the way it is, and how people can change it for the better.

He has developed the science, the strategy, and the concrete vision and blueprint for a radically different and much better society and world in the *Constitution for the New Socialist Republic in North America*. At the same time, BA deeply understands and connects with the most oppressed, and he provides strategic leadership for the movement today.

The National Get Organized for an ACTUAL Revolution Tour

The National Tour to Get Organized for an ACTUAL Revolution is travelling the country over the next year to involve you and thousands of people like you in this movement for an actual revolution. We are working to develop an organized and growing force, of thousands now, so that we can have an increasing impact on the whole country—with the whole world in mind, preparing for the time when we really could make a real revolution.
