

Three reasons you should come to this film:

1. You will be able to hear a unique analysis of the deep roots and driving forces of the Trump/Pence fascist regime AND a vision of how to get rid of this regime... now!
2. You will get a chance to see for yourself a film by Bob Avakian, the initiator of the new communism and the leader of the revolution.
3. You will be able to gather with others who are aiming to drive Trump, Pence and the rest of these fascists from power and you will be able to talk with people from the National Get Organized For An Actual Revolution Tour, who are traveling the country to organize people to make revolution.
