National Get Organized For An ACTUAL Revolution Tour

The National Get Organized For An ACTUAL Revolution Tour began in March 2019. The Tour aims to bring forward a movement for revolution, rooted in and applying the new communism developed by Bob Avakian. Tour members fight for a whole new world free of exploitation and oppression, and they live that morality today. They have been going to different cities organizing people into this revolution, and as part of that they have taken up key struggles in society. The pictures in this series give a feel for what some of that has looked like.

Now I can just hear these reactionary fools saying, “Well, Bob, answer me this. If this country is so terrible, why do people come here from all over the world? Why are so many people trying to get in, not get out?” ...Why? I’ll tell you why. Because you have fucked up the rest of the world even worse than what you have done in this country. You have made it impossible for many people to live in their own countries as part of gaining your riches and power.
