

# NO MORE!

It is time, and long past time, that *this system of oppression and murder needs to go!*

We need a **REVOLUTION** at the soonest possible time. We need to *get busy* working for this revolution.

## WHAT TO DO NOW—BUILDING FOR THE ALL-OUT REVOLUTION WE NEED

- **Fight the Power and Transform the People for Revolution**—don't let things just keep on going the way they are, where people are used and abused, brutalized and murdered under this system, and they don't really know why and what can be done to put an end to it. Get more and more people involved in standing up and fighting back, in line with the 5-2-6 (see back of leaflet), and struggle with people to give up the foolishness that too many are caught up in and instead take up the 5-2-6.
- Go to [www.revcom.us](http://www.revcom.us) and watch the *RNL Show (Revolution—Nothing Less!)* regularly, where you can learn more about this revolution and the most important leader in the world today—the revolutionary leader Bob Avakian (BA), the architect of the revolutionary new communism. On the basis of the 5-2-6, get the shirt **BA Speaks: Revolution—Nothing Less!** Wear it proudly and let people know this is what they need to get with, and this is the leadership they need to follow.
- Spread the word among people you know, and widely through social media, so that more and more people, in every part of society, will hear the word that revolution is *necessary* and *possible*, and [revcom.us](http://revcom.us) is the place to go to get hooked up with the revolution and become part of the organized force for revolution.
- Keep on learning while you are working to build this revolution: watch the videos and listen to the recordings by BA. Get into *BASics* and other writings by BA, including the *Constitution for the New Socialist Republic in North America*. Get deeper into the science of revolution BA is bringing forward to make revolution a reality.
- Keep in regular contact with [revcom.us](http://revcom.us)—write or record things that can be used by the revolutionary leadership, on [revcom.us](http://revcom.us), through social media, and on the *RNL Show*, to help build the revolution.
- Do all this with the goal clearly in mind, and work to bring about, as soon as possible, the situation where there are not just thousands but millions who are with this, and the system is in deep crisis, so that an all-out fight can be waged for revolution, with a real chance to win—to bring this system down and bring something much better into being.
- With this COVID-19 pandemic, do all this while *also doing your best to apply necessary safety measures that can help keep you, and others, from getting sick and spreading the virus—BUT DO IT!*

Get with the REVCOMS!

# 5-2-6: 5 STOPS, 2 CHOICES, AND 6 POINTS OF ATTENTION

*Easy to remember: concentrating the path to getting organized for revolution*

**5 STOPS**—five horrific forms of oppression that this system can't reform away. The 5 STOPS:

**STOP** Genocidal Persecution, Mass Incarceration, Police Brutality and Murder of Black and Brown People!

**STOP** The Patriarchal Degradation, Dehumanization, and Subjugation of All Women Everywhere, and All Oppression Based on Gender or Sexual Orientation!

**STOP** Wars of Empire, Armies of Occupation, and Crimes Against Humanity!

**STOP** The Demonization, Criminalization and Deportations of Immigrants and the Militarization of the Border!

**STOP** Capitalism-Imperialism from Destroying Our Planet!

**2 CHOICES**—either live with this and the oppression will go on and on...or, as BA says: **MAKE REVOLUTION.**

**6 POINTS OF ATTENTION** which The Revolution Club upholds, lives by, and fights for.... Spread them. Take them up.

“ ...We Have 2 Choices: either, live with all this & condemn future generations to the same, or worse, if they have a future at all... Or, **MAKE REVOLUTION!**”

**Bob Avakian**

## POINTS OF ATTENTION FOR THE REVOLUTION

*The Revolution Club upholds, lives by and fights for the following principles:*

**1 We base ourselves** on and strive to represent the highest interests of humanity: revolution and communism. We do not tolerate using the revolution for personal gain.

**2 We fight for** a world where ALL the chains are broken. Women, men, and differently gendered people are equals and comrades. We do not tolerate physically or verbally abusing women or treating them as sexual objects, nor do we tolerate insults or “jokes” about people’s gender or sexual orientation.

**3 We fight for** a world without borders, and for equality among different peoples, cultures and languages. We do not tolerate insults, “jokes” or derogatory names about a person’s race, nationality, or language.

**4 We stand with** the most oppressed and never lose sight of their potential to emancipate humanity—nor of our responsibility to lead them to do that. We work to win people of all backgrounds to take part in the revolution, and do not tolerate revenge among the people.

**5 We search for** and fight for the truth no matter how unpopular, even as we listen to and learn from the observations, insights and criticisms of others.

**6 We are going for** an *actual* overthrow of this system and a whole better way beyond the destructive, vicious conflicts of today between the people. Because we are serious, at this stage we do not initiate violence and we oppose all violence against the people and among the people.
