

# Court Lets Fascist White Supremacist Killer Walk Free: **Kyle Rittenhouse—and the Whole Damn System—Is GUILTY!** It's Time to Get Organized For **REVOLUTION, NOTHING LESS!**

A system that green-lights the white supremacist vigilante slaughter of people standing up for Black lives is completely *illegitimate*. It needs to be brought down—overthrown—at the soonest possible time.

**Everyone who cares about justice, about Black lives, about a decent future for humanity *needs to get with the Revcoms and get busy preparing for this revolution now.***

Anthony Huber and Joseph “Jojo” Rosenbaum, the men who Kyle Rittenhouse shot dead in the streets of Kenosha, Wisconsin, are HEROES and *every decent person should recognize them as such*. At a time when all too many are absorbed in selfishness and selfies, in snarking and tearing others down, these men gave their lives in the fight against police terror and white supremacist violence. Their lives, *including their sacrifice, truly counted for something*.

Kyle Rittenhouse is a cowardly, sniveling, fascist punk. For the slaughter he carried out, he is a hero to fascists and white supremacists everywhere. These fanatical fascists have already been invading every sphere of public life, attempting to terrorize people who don't go along with them. Like Rittenhouse, they are armed to the teeth. Like Rittenhouse, they are championed by Trump and backed by the fascist GOP at all levels of government. These fascists think they could just carry out a one-sided slaughter of Black people and other people of color, “illegal immigrants,” “uppity women” and those who don't conform to “traditional” sexual and gender relations and “norms.” This verdict will only make them more aggressive and deadly.

Passivity and silence in the face of this will only fuel the momentum towards fascism and even more monstrous horrors. A line has been drawn. Everyone must pick a side.

As Bob Avakian, the revolutionary leader and the author of the new communism, has said:

Instead of fighting and killing each other, what people need to be doing now is *uniting to defend each other*—opposing all unjust violence, not launching attacks on anyone but at the same time not allowing the police or “civilian” fascist thugs to wantonly brutalize and murder people. And people need to do this as part of building up the forces for revolution.

Instead of snarking and sniping at each other, and being divided by “identities,” people should be working to unite everyone, from every part of society, who can be united in the fight against oppression and injustice, with the goal of *putting an end to this system that is the source of this oppression and injustice*.

(from *THIS IS A RARE TIME WHEN REVOLUTION BECOMES POSSIBLE—WHY THAT IS SO, AND HOW TO SEIZE ON THIS RARE OPPORTUNITY*)

Now is the time for courage, for outrage, and—most of all—for lifting our sights to, getting organized for, and fighting to repolarize all of society for the only real solution: AN ACTUAL REVOLUTION.
