

# HOW TO GET ORGANIZED NOW FOR A REAL REVOLUTION!

**Monthly Revolution Club Mass Meeting  
Sunday, February 6th, 2pm  
2716 S. Vermont (outdoor meeting),  
Masks required.**

## **“LET’S GET DOWN TO BASICS: WE NEED A REVOLUTION—NOTHING LESS!**

“To everyone who can’t stand this world the way it is ... who is sick and tired of so many people being treated as less than human ... who knows that the claim of “liberty and justice for all” is a cruel lie ... who is righteously enraged that injustice and inequality go on, and on, and on, despite false promises and honeyed words from people in power (or those seeking power) ... everyone who agonizes about where things are headed and the fact that to be young now means being denied a decent future, or any future at all ... everyone who has ever dreamed about something much better, or even wondered whether that is possible ... everyone who hungers for a world without oppression, exploitation, poverty, and destruction of the environment ... everyone who has the heart to fight for something that is really worth fighting for:

You need to be part of this revolution.”

A Call to Get Organized Now **For a Real Revolution***

# Every week, Thursday at 5pm PST/8pm EST, watch The RNL – Revolution, Nothing Less – Show [youtube.com/therevcoms](https://youtube.com/therevcoms)

This is a weekly show about the need and possibility of real revolution and the emancipation of humanity. We are not here to repeat garbage that may be popular.  
We bring the truth.

“Here is the heart of the matter: Many people—including someone like Martin Luther King—have argued that attempting to carry out a revolution to overthrow this system is suicidal, particularly for Black people in this country—when, in fact, Black people, and masses of other oppressed and exploited people, profoundly and desperately need this revolution. The reality is that such a revolution *can* succeed, but this is possible, particularly up against powerful ruling forces, like in this country, *only in rare times and circumstances*. And here is a very important truth:  
**This is one of those rare times and circumstances.**”
