Holiday Fundraising Festival and Tamale Sale To Put Real Revolution on the Map!

Saturday, December 10th, 12pm to 5pm
Revolution Club Organizing Center Parking Lot
2716 South Vermont Ave.

Saturday, Dec 10th join the revcoms for music, community, and a delicious tamale fundraiser, raising money to put real revolution - and real hope for the future - on the map. Get your delicious Mexican tamales in time for the holidays, pick up gifts, and watch clips of the Bob Avakian Interviews while you drink some yummy champurrado or hot coffee and meet people just like you and very different.

This system has no future for us. It puts young people in conditions to kill each other and the police kill them on top of that. The environment of our planet is being destroyed, we face the real threat of nuclear war, people forced to migrate to survive are hounded and treated like criminals, and now women and girls losing the right to abortion are forced against their will to be mothers, while white-supremacist fascists prepare to slaughter those they hate.

WE DON'T HAVE TO LIVE THIS WAY!

There is a way out of all this ...a real REVOLUTION to overthrow this system and replace it with a radically different and better system. And now, this society is coming apart top to bottom and heading somewhere even more terrible. At the same time, there is a way this makes revolution more possible now, depending on what WE do. We have a chance to get this system off our backs. To make a future worth living in for the little ones coming up behind us, so they don't have to go through what generation after generation has had to go through because of what this system puts people through.

To see this chance, to understand how this is really possible, you got to meet the revolutionary leader Bob Avakian, through the incredible new interviews on the RNL - Revolution Nothing Less - Show: "Up Close and Personal with Bob Avakian, Heart and Soul & Hardcore for Revolution." And to make good on this chance, you are needed to be part of how hundreds and then thousands and millions find these interviews too.

The fundraising festival is part of a nationwide holiday fundraising effort to raise \$35,000 for the RNL - Revolution Nothing Less - Show, the revcom.us website and for the National Tour to Get Organized for an ACTUAL Revolution, now anchored in LA.
