\$100,000 to Put REVOLUTION on the Map in 2023!

**Sunday, July 16, 2 pm PT / 5 pm ET
at youtube.com/therevcoms**

*To everyone who can't stand this world the way it is...
who is sick and tired of so many people being treated as less than human...*

WE REFUSE TO ACCEPT THIS SYSTEM'S FUTURE!

On July 4, we revcoms (revolutionary communists) went to Philadelphia, the birthplace of America, to put forward a new Declaration:

In the Name of the People...

In the Name of Humanity...

WE DECLARE AND WE DEMAND:

**The Existing Capitalist-Imperialist System And
Institutions Of Government In This Country Must
Be Abolished And Dismantled—And Replaced
By A New, Socialist System Based On The
*CONSTITUTION FOR THE
NEW SOCIALIST REPUBLIC IN NORTH AMERICA***

This must become the mass demand of millions of people. ➤

We revcoms, revolutionary communists, have a plan to bring forward and lead thousands and then millions to make revolution to defeat this monstrous system and the Constitution that enforces it—to bring about a new kind of society based on the *Constitution for the New Socialist Republic in North America* and aiming for the emancipation of humanity from all exploitation, from all forms of oppression, from the destruction of the environment, and from all antagonistic relations between people.

We need to spread this Declaration everywhere, along with the powerful Proclamation *We Are the Revcoms*. Go to revcom.us to read BOTH of these important statements.

Right now, humanity stands at a crossroads—when we face the stark choice between Something Terrible... OR Something Truly Emancipating. Taken together, these two statements lay out a way forward out of this madness... and the prospect of a whole better world—if we take these up, spread them, fight for them, and apply them.

If this prospect—the possibility of revolution not in some distant future but *in this time*—intrigues you, if it moves you, if it provokes you—tune into the July 16th Livestream and learn more about this revolution, learn more about the kind of society that we can and need to bring into being. Meet people who are fighting to make this real.

And most of all, we challenge you to DONATE FUNDS to support this movement, to “become part of this emancipating revolution” in this way, even as you are learning more about it.

At a time when the very fate of the planet is in the balance... at a time when there is a force willing to stand up and say “WE will dare to seize a future fit for humanity”... WHAT are YOU giving your money to?
