

Don't fall for the BEB!

Under Trump, the U.S. reached an all-time high of 13.1 million barrels of oil a day, making it the largest producer of crude oil in the world.

Under Biden, the U.S. has reached 13.2 million barrels a day—breaking the record set under Trump.

The choices *must not* be the fascist Trump vs. the war criminal Biden – both representing this environment-destroying capitalist system.

The choices are this system vs. the revolution needed to overthrow this system.

We need, and we demand, a whole new way to live, a fundamentally different system!
