

Revolutionary Internationalist May Day 2024

***We Need and We Demand
Revolution For A Whole New Way To Live,
A Fundamentally Different System***

**Stop the U.S./Israeli Genocide of Palestinians NOW!
Stop Capitalism-Imperialism from Stealing Our Future!**

Time and Place To Be Announced

The madness of this system of capitalism-imperialism **cannot be fixed or reformed**. From the heartless U.S./Israeli slaughter and starvation of Palestinians... to the threats of nuclear annihilation... from the city streets, hell-hole prisons and police who terrorize and kill Black and Brown people... to the denial of women's right to abortion and attacks on LGBTQ people...

The problem is the *system* of capitalism-imperialism.

When the parasitic luxury of some rests on a world where whole countries are turned into sweatshops... a world of child labor and sexual slavery... a world where millions of migrants and refugees are driven to risk everything to cross borders—only to then be demonized and hunted like animals:

This system must be overthrown.

When this system has poisoned the air and water, destroying the environment ... when its rulers threaten nuclear war... and *the very future of humanity is in real danger*:

We need and we demand a whole new way to live, a fundamentally different system!

Some say that nothing can change and it's out of our hands. NO!

On May Day 2024, we declare: We will dare to fight and win a future worthy of our children and all of humanity.

In powerful social media messages, the revolutionary leader Bob Avakian has done what nobody in this country has ever done before. He breaks down for everyone why we need a real revolution and how this revolution can be made—not in some far-off time, but right in this time. Listen to these messages at @BobAvakianOfficial on all social media platforms.

Bob Avakian says:

With thousands organized into the ranks of the revolution, millions can be won to revolution; and with millions won to revolution, there could be a real possibility for this revolution to win.

Be one of those thousands needed NOW! Join *The REVCOM CORPS for the Emancipation of Humanity*, and become a part of making this revolution known as a growing, organized, disciplined, bold, and fearless force. Learn about the revolution while spreading the word that there is a way to change the world.

If you have the heart to fight for something worth fighting for,

Be There: May Day 2024!
