

A National Fundraising Livestream to Support **REVOLUTION SUMMER 2024**

**TUNE IN

SUNDAY, JUNE 23 ~ 2 PM PT/5 PM ET
therevcoms@youtube.com

The Revcom Corps for the Emancipation of Humanity has issued a call for REVOLUTION SUMMER 2024 (read the call at www.revcom.us). This is a bold challenge to make the summer of 2024 alive with revolution as things are increasingly coming to a head in this country.

This summer: Be a part of making history. Be a part of fighting for a whole new way humanity could be living. Be part of REVOLUTION SUMMER 2024 by donating funds to support the work of the REVCORP CORPS for the Emancipation of Humanity.

We are working for a REAL REVOLUTION, for a whole new emancipating way to live, a fundamentally different system. We are fighting to STOP the U.S./Israeli genocide of Palestinians NOW! Another World IS Possible!

Look around. Israel is carrying out a heartless genocide against the Palestinian people. Whole families buried in rubble or burned alive. All of this backed and funded by the U.S. government. Capitalism-imperialism is poisoning the air and the oceans, killing off species and destroying our planet. Women's right to abortion and LGBTQ rights are being ripped away. Immigrants and refugees are being demonized and face detention, deportation and even death. The police are killing Black and Brown people on the daily. People look at the future with a feeling of doom.

This is not the world you want. It is not the future you should accept.

On June 23 when you tune in to the livestream:

* You will learn about and be able to donate to support the work of volunteers who are fighting to make this country bristle with revolution this summer and to organize many more people into this movement, on a mission to take Revolution Summer to all sections of the people.

* You will be able to contribute to the printing and distribution of hundreds of thousands of copies of revolutionary literature—posters, flyers, banners, stickers—so that we can reach the millions across the country who need to learn about this revolution and how they can become a part of it.

* You will learn about and be able to contribute to the plans for organizers to travel to key areas of the country—and to bring together a force in Chicago in August to protest at the Democratic National Convention, declaring: No Fascist Trump, No Genocide Joe, The Whole Damn System's Got to Go. We Need Revolution for a Whole New Way to Live.

* You will learn about and hear from the far-sighted revolutionary leader Bob Avakian (BA), who has forged a scientific understanding of why revolution is necessary, how it can be made, and the liberating future it can bring about.
