# GET @BOB AVAKIAN OFFICIAL EVERYWHERE!

**AS BOB AVAKIAN HAS SAID HIMSELF:**

## **Bob Avakian is the only leader in this country even talking about making a real revolution!**

Be part of a mission that can rapidly change the whole world. At a time when society is being ripped apart, with things likely coming to a head and coming up for grabs, Bob Avakian (BA) is giving real-time leadership for real revolution through his social media dispatches. Week in-week out he's cutting through all the noise and bullshit with truth that the powers-that-be don't want you to know: why we need revolution, how it's *more possible* in these times and a radically different system that can be brought into being. **These dispatches are the most powerful, cutting-edge tool to understand and act to change the whole political situation. This national campaign to make @BobAvakianOfficial known everywhere is working to raise big funds to get the social media dispatches in front of millions of people when it can make the *decisive* difference.**

**"With thousands organized into the ranks of the revolution, millions can be won to revolution; and with millions won to revolution, there could be a real possibility for this revolution to win."**

Through online advertisements and DMs, disruptive protests and banner blitzes, word of mouth and from LOUD mouths on a street corner... on YouTube, Instagram, X, TikTok, Telegram, Substack, and even snail mail... we revcoms are spearheading this campaign to put @BobAvakianOfficial *everywhere*.

We're impacting society, shaking awake millions and raising their sights, disturbing the "woke" posers and fascist trolls, while training those who *do* want a better world on how to fight for it.

We're just getting started and **we're recruiting you to DONATE, RAISE FUNDS and VOLUNTEER NOW!** Think of the difference it can make for millions of people to know that their choices are *not* limited to following ruling class politicians—whether it's MAGA Fascist Trump or war-crimes Kamala!
