Bob Avakian is the only leader in this country even talking about making a real revolution!

“We, the people of the world, can no longer afford to allow these imperialists to continue to dominate the world and determine the destiny of humanity. And it is a scientific fact that humanity does not have to live this way.”

-Bob Avakian, Revolution # 38

Bob Avakian is completely different than the endless stream of bourgeois (capitalist) “leaders” who are put forward, and others who cannot see, or will not look, beyond the confines of this horrific system. Society is being ripped apart, with the sharpening divide among the rulers of this oppressive system likely coming to a head soon. And the one thing that could make the *decisive* difference in bringing into being an emancipating, revolutionary change is making the voice and leadership of Bob Avakian known to millions and taken up by thousands.
