

A Call from the Revcom Corps for the Emancipation of Humanity

April 22-24, national days to demand: **HANDS OFF THE REVCOMS!**

Each of these Revcoms (revolutionary communists) are facing serious charges for speech and non-violent protest against Trump/MAGA fascism. On April 22, Luna Hernandez has a court date. On April 24, Noche Diaz, Leo Pargo, and "David" all have court dates. We need to have their backs!

Especially in this moment of fascist terror, when the Trump regime is going after their political "enemies," kidnapping pro-Palestinian students, and sending people to concentration camps in Guantanamo and El Salvador with no due process...

Everyone who values the right to free speech, and doesn't want to see people brutally arrested for exercising that right, should demand: **HANDS OFF! DROP THE CHARGES!**

Everyone who cares about the rights and lives of immigrants, women, trans people, and others under attack, should demand: **HANDS OFF! DROP THE CHARGES!**

Everyone who recognizes the grave danger we are facing with Trump/MAGA fascism, and the importance of mobilizing millions to defeat this, should demand: **HANDS OFF! DROP THE CHARGES!**

Everyone who recognizes that there's something fundamentally rotten about the current system and appreciates the work of these revolutionary leaders fighting for a positive way forward — and doesn't want to see them targeted and suppressed — should demand: **HANDS OFF! DROP THE CHARGES!**

"This is not a time for demoralization and despair— it is a time for righteous anger and revolutionary determination... a time for collective action and self-sacrificing struggle for the greater good: the greater good of defeating this fascism."

-Bob Avakian
