

A call from the Revcom Corps for the Emancipation of Humanity

On the anniversary of Frederick Douglass' speech "What to the slave is your 4th of July?"

“FOR REVOLTING BARBARITY AND SHAMELESS HYPOCRISY, AMERICA REIGNS WITHOUT A RIVAL”

Saturday JULY 5, 12pm – Gathering and Speakout

African American Civil War Memorial, 10th and U street NW

Near the U Street/African-American Civil War Memorial/Cardozo Metro Station

At a time of Escalating Trump/MAGA fascism...

What, to oppressed humanity, is your 4th of July?

What to the immigrants fleeing homelands ruined by American empire and now hunted by heavily armed masked thugs?

What to Black people first enslaved then segregated and lynched, and now incarcerated and murdered by police?

What to trans people whose very existence is now being erased from public life?

What to women abused and degraded, and now being forced to bear children in a Handmaids' Tale nightmare?

What to the Palestinian children blown apart by made-in-the-USA bombs?

And when do we stop celebrating all this, and start to demand a whole new way to live, a fundamentally different system?

ANSWER: NOW!

Come together to hear the truth about America's history, and how this is part of what gave rise to Trump/MAGA Fascism. Bring your deep questioning, and your searching for a better way to live. Be together with people who are serious about defeating Trump's fascism, and serious about a revolution to bring about a future worth living and fighting for.

The Revcom Corps for the Emancipation of Humanity is a disciplined revolutionary force working tirelessly to bring about a real, emancipating revolution as soon as possible. We follow the revolutionary leader Bob Avakian, who authored The New Communism and a constitution for a new, radically different and much better society and system. Bob Avakian has said:

Leading into the Civil War in the 1860s, the election of Lincoln as President was the “last straw” that propelled the slave-owners in the South to break with the “United States” and wage war to maintain their slave-based Confederacy. **Today, for those opposed to slavery and oppression in every form, this election of the fascist Trump must be the “last straw” which propels a revolutionary struggle to break with, and bring down, this whole system which, as I have shown over and over again, rests on ruthless exploitation and murderous oppression, and which has now given rise to this fascism, as the direct political descendant of the slave-owning Confederacy.**
