

With Trump Sending Troops Into Los Angeles, Rounding Up Tens of Thousands of Immigrants Without Any Due Process, Attacking Democratic Party Officials, & Brutalizing Protesters...

Now Is the Time To Take the Policial Offensive & Demand:

THE TRUMP FASCIST REGIME MUST GO NOW!

**SATURDAY
JUNE 14**

PROTEST NATIONWIDE

AND IN

WASHINGTON, D.C.

1 PM LOGAN CIRCLE:

MARCH TO THE WHITE HOUSE

**[1] Right now, we are
living through a leap
towards all out FASCISM.**

Mass sweeps and terror against immigrants. National Guard and Marines occupy U.S. streets to crush righteous, overwhelmingly nonviolent protest. Trump threatens to arrest the governor of the biggest state in the country and the mayor of LA. If this is allowed, think what this will mean for the masses of people. No rights. No dissent. No due process. Only brute, terroristic dictatorship. NO!

**[2] THE TRUMP FASCIST
REGIME MUST GO NOW!
This must be our
demand and we must
not stop until it is real.**

It is righteous and necessary to stand against the terror of ICE. It is righteous and necessary to protest the deployment of National Guard and Marines on fascist escalation of the Trump Regime – against

immigrants, trans people, universities, law firms, basic rights, due process, science, and so much more.

It is necessary -- and possible -- to take the offensive nationwide to raise and make real this demand: **TRUMP MUST GO NOW!**

Through our massive, sustained and growing, nonviolent but determined protest and resistance – ultimately involving *millions* – we must create the kind of profound political crisis that makes it impossible for Trump to govern this country, impose his fascist program, or even hold onto power. It has been done around the world. Now we must do it here.

**[3] All Out for Protests in
Washington, DC and Nationwide
this Saturday, June 14th to declare:
TRUMP MUST GO NOW!**

On June 14th, Trump is throwing himself a military parade. This is a leap in forging a military that is loyal not to the Constitution or the rule of law, but to Trump personally – with all the white supremacy, misogyny, homophobia and transphobia, and America-First hate this involves.

On this day, the eyes of the world will be on DC. They must see courageous, nonviolent protest against this ever-increasing fascist oppression and the gross immorality and craven dishonesty of the regime. Around the country, the streets must be filled. In the Name of Humanity, We Must **REFUSE** to Accept a Fascist America!
