TRUMP MUST GO NOW!

July 1 – 4: Washington, D.C. - Four Days of Resistance

Now is the time to build on the strength of millions who marched on June 14, the largest single day protest in the history of this country. Over five million people filled the streets of small towns and big cities, in blue states and red states, in opposition to Trump's presidency and in defiance of Trump's barrage of threats and repression. In Washington D.C., where Trump said "any" protest against his fascist military parade would be met with "very big force," over a thousand people refused to be intimidated and marched to the White House with the demand *Trump Must Go Now!*

June 14 was a watershed moment in the resistance to Trump/MAGA fascism. Now, our struggle must broaden, deepen, and accelerate toward decisively defeating this fascism.

Fascism relies on terror and violence to consolidate its rule. Any setback means that the regime must accelerate its vicious attacks on the people and the rule of law. One day after the June 14 protests, Trump ordered his ICE/Gestapo to escalate raids in key Democrat-led cities, and launched more unhinged, revenge-fueled attacks on Democratic elected officials and all those who oppose him.

He will not stop.

Neither will we.

NOW IS THE TIME FOR TRUMP TO GO!

Learn more, donate, get involved in the nonviolent movement to defeat Trump/MAGA fascism:

Beginning on the evening of July 1, gather in D.C. for four days of defiant, loud, non-violent but determined protests at key symbolic landmarks to demand the removal of the Trump fascist regime. We call on everyone with a conscience, all who dream of being free of Trump/MAGA fascism, to be part of this historic struggle – showing the people of this country and the world our determination to stop a fascist America.

These four days must build and point toward the righteous, sustained struggle of millions in the streets day after day and night after night, creating the kind of profound political crisis that makes it impossible for Trump to govern this country, impose his fascist program, or even hold onto power.
